We were a group of 18 family members who visited HCMC and Da Nang for a week in January 2024. Ms. Luong Thuy Vi of Sanna Tour helped us in arranging a day tour to BaNa hills and also in arranging tour guides in HCMC. Ms.Vi also helped one of my family member in getting a Vietnam eVisa at the last moment. Ms Vi was always prompt in replying to my messages, was very cheerful and helpful, gave tips on where to eat and drink. Thanks to Ms Vi and Sanna Tour, our family had a wonderful and memorable time visiting Vietnam.

Very be worth trying it when coming da nang

Sep 2023 • Friends

The combination of traditional costumes, picturesque surroundings, and expert assistance at Dong Dinh Museum gave us a unique and unforgettable experience. I had a wonderful experience with this place. The photographer supported us with effort in posing enhancing the entire experience in Vietnamese traditional costume. The costumes are really beautiful. Very be worth trying it when coming da nang. I think I will come and have this experience again with my family in the future.

Visit memories of fishing village memory house and experience traditional Vietnamese Costumes at Dong Dinh Museum

Jan 2024 • Family

The trip was enjoyable, everyone was friendly and enthusiastic. The tour guide is dynamic and agile, answering all customers' questions. Sales staff and operations staff guide guests about the tour schedule very enthusiastically. Here we had a memory trip to the fishing village house at Dong Dinh Museum, this will be the place to bring visitors back to learn about the life of the Cham people. This place preserves a vivid picture of fishing, bringing visitors back to "old memories". Every detail of the fishing village memory house brings a true feeling of old everyday life. There are beautiful photos of wearing traditional Vietnamese Costumes taken by photographers from the Sannatour company....

Exciting experience at Ba Na Hills

Jan 2024 • Family

The experience here is very interesting, the staff is very friendly and enthusiastic, the price is also quite reasonable. The air is fresh, cool, and chilly like in Da Lat. The games here are very new and worth experiencing - especially the waterfall slide. Very wonderful and thank you to the accompanying company for supporting my family trip.

Wonderful place - DaNang with lots of nice photos!

Apr 2023 • Friends

We arrived in DaNang in the morning, and we had 1 hour to explore the center. It's a very beautiful place, with plenty of opportunities to take beautiful photos. Unfortunately, it was very, very crowded, maybe at the weekend. Our guide (Trung) was very funny. The restaurants are good. They serve some traditional Vietnamese dishes.
